## Transfer Station Pilot Program Information

This is a pilot program in which 50 single family households in Pomfret may purchase a permit to dispose of household trash and recyclables at the Town of Woodstock Transfer Station.

For Safety: All loads **MUST** be covered and secured during transit to prevent litter & accidents.

### Purchase Permits at the Woodstock Town Hall

Town Clerk Judy Walberg (860-928-0208 x320) issues permits during regular business hours. Annual sticker renewal begins on January 2. *You must present vehicle registration at time of purchase. Checks are to be made payable to "Town of Woodstock."*

Town Hall Hours: M/T/Th 8:30am—4:30pm  
Wed. 8:30am—6:00pm

(See Transfer Station hours of operation on the front page of brochure.)

### Types of Permits Available

- Pomfret Single Family Household .....\$270
- Day Pass For Use of a Different Vehicle
  - » Residents who have purchased a yearly sticker, but need to temporarily use a different vehicle, must present vehicle registration (for the vehicle that will be used) to receive a one day pass at no cost. These can also be obtained at the Transfer Station with proper ID.

**\*Annual Permit Stickers MUST be affixed to driver's side front windshield or admittance will be denied.**

### Bulky Waste No opening of railings without attendant present.

Bulky waste disposal fees are based on weight — heavy loads will cost more for disposal. Bulky items may include, but are not limited to: a large assortment of household junk, "clean" (new, unpainted, unused) wood, empty or dried paint cans, large furniture, large toys, etc. Construction/demolition debris (sheet rock, shingles, and insulation) must not exceed 100 lbs. and must be in a separate container.

Loads must be assessed by the attendant prior to dumping, or additional fees may be charged. Payment must be made by check payable to "Town of Woodstock" (absolutely no cash or credit cards) at the time of disposal. A \$15 fee will be charged for checks returned by the bank as unpaid.

Fee Schedule (Final fees will be determined by attendants after reviewing loads.)

**The disposal of Demolition Material (in excess of 100 lbs.) is restricted by the DEEP. You will need to make your own arrangements with a private hauler for removal.**

(1) 30 to 55 gallon container**	\$15
(1) small pick-up truck or small trailer load	\$30
(1) mid-sized pick-up truck (1/2, 3/4 ton) or medium trailer load	\$45
(1) 1-ton dump truck or large trailer load	\$70

**\*\*Minimum bulky charge = \$15**  
Additional \$10 fee assessed on loads that include demolition or construction debris.

\$6 each for stuffed chairs, \$10 for a sofa/sleeper sofa (if springs are removed)  
\$15 each for any appliances with Freon (refrigerators, freezers, air conditioners, dehumidifiers).  
\$75 and up for hot tubs  
\$10 and up for rolled carpets (10 x 12)

<u>Tires</u>	
\$6	per car tire
\$8	per car tire w/rim
\$12	per R17 tire
\$18	per R17 tire w/rim
\$28	per tractor/earth moving tire

<u>Empty Propane Tanks</u>	
\$4	for 20 lb. tank
\$6	for 40 lb. tank
\$10	for 100 lb. tank

- Please see the attendant
- 

---

**Transfer Station Regulations**

All Transfer Station regulations are enforced by the attendants, and permit holders must adhere to their instructions.

- Proof of vehicle registration in the Town of Pomfret is required with a permit.
- Permit sticker is assigned to a specific vehicle, its owner/s, and a specific household. To use another vehicle, please see stipulations of the day pass (previous page).
- Day passes must be surrendered to attendant upon entry.
- Permits are NOT refundable.
- Place items in appropriate containers or areas as indicated.
- Bulky loads MUST be assessed by attendant prior to dumping to be sure any additional assessment fees are accurate.

\* Violations of these regulations may result in loss of transfer station use, including permit revocation.

\* The Transfer Station is a one-way facility, please refrain from backing up for any reason!

CONTRACTORS / BUSINESS OWNERS may only dispose of their own personal household trash and bulky waste, NOT from their business.

Hazardous waste is NOT accepted at the Transfer Station. The Town participates in hazardous waste collection days—watch for local advertising. Please store the material safely until the collection day is held.
